Active Norfolk are working with villages across the county to assemble squads of players to compete in different sports varying from Archery, Athletics, 5-a-side Football, Short Mat Bowls, Tennis, Rounders, Badminton and Darts.

People of all ages are invited to take part. Villages will be offered taster sessions in a variety of sports at their very own Sports Roadshow.

These Roadshows will take place across the county throughout the year in the build up to the District level games and then the prestigious Norfolk Village Games County final, which will take place on **Sunday 15th July at the UEA Sportspark in Norwich.**

Active Norfolk are looking to work with villages to build teams as well as help you to get more sport taking place in your village. We are looking to sports clubs, parish councils, local businesses and community groups to work together in order to provide representation from their area, and battle it out against other villages from across the county.

Don't let your village miss out on being part of the 2012 Games!!!
