## A message from Colin Lang MBE – Special Project Manager

Thank You for supporting the Benjamin Foundation Flight for Youth by buying a paint your own butterfly.

Please only paint your butterfly with either Acrylic or Enamel paint. These can be obtained on the internet or locally at craft and hobby shops. Please then varnish your BF with clear varnish either using a brush or spray can.

When you have decorated your butterfly, we would love to display it in one of the installations.

Please write your name and email address on a piece of paper and include it when you bring your butterfly back to us.

We will issue your butterfly a Unique Reference Number and this will be written in permanent marker on the back so we can ensure you get it back safely.

### #MyTBFButterfly Competition

You can choose to take part in our paint your own butterfly competition where the top 25 entries will be framed and displayed as part of our 25th Anniversary Family Fun Day Event on October 27th at The Forum Norwich. People will be able to vote on their favourite and the winner will receive a £100 Gift Voucher.

To enter submit a picture of your completed butterfly to The Benjamin Foundations Facebook or Twitter Page using #MyTBFButterfly. You can view T's and C's here:
