

The Great Norwich Duck Race

NORWICH City Council

Promoted by 1st Norwich Sea Scout Group in association with The Lord Mayor of Norwich Celebrations

Julian Bridge, Riverside, Norwich July 3rd, 2016

Want to raise some money for your Scout Group?

Join us, and be part of one of the county's largest fundraising events with all profit going straight back to participating Scout groups or Scout projects!

No outlay, we supply the tickets, you just have to sell them.

The first 250 tickets are sold on a 50/50 basis, between your group and 1st Norwich. All sales after that are on a 75/25 basis, meaning more profit for you!

Your Group doesn't have to be in Norwich to sell the entry tickets; one group who've sold them for the last two years is based in Derbyshire!

So far The Great Norwich Duck Race has generated over £46,000.

The Great Norwich Duck Race was conceived by and is run by the [1st Norwich Sea Scout Group](http://www.greatnorwichduckrace.co.uk) as a fund raising event for [scouting](http://www.greatnorwichduckrace.co.uk). This year the funds raised will support scout activities at 1st Norwich and other groups participating in the event. As well as the prize monies mentioned elsewhere a contribution is also made to the Lord Mayors charity. In the event of unforeseen circumstances that prevent the race being run the promoter will decide the winners by a lottery of the entrants.
