

Water Activities Weekend 24 – 27/05/2019

Can you help?

If you have a permit for Canoeing and Kayaking please email us if you can help out.
nsctasu@gmail.com

Are you ready for another action-packed, fun-filled Water Activities weekend?

For over 25 years Norfolk Scout Canoeing Team have been organising this now legendary camp. The weekend's focus is on having fun on the water, raising confidence and inspiring teamwork. Our whole team will be coaching fun yet safe sessions in Sit-on-top Kayaks, Canoes, Bell Boats, Kayaks and our amazing friends at the Sailing Team will be bringing a flotilla of boats and their entire crew.

But that's not all, the camp is also action packed off the water with Rifle Shooting, Archery and Axe Throwing all confirmed. Although if that's all too much action, you can get all creative with one of our craft sessions, or sing your heart out at our traditional campfire.

Monday morning we turn the entire site into a giant series of challenges. The timed team challenges have been cleverly designed to promote teamwork, communication as well as pushing physical abilities.
