

## **County AFC Explorer Camp – Update 3**

### **New Name**

I am delighted to say we have a winner who has come up with a new brand for the camp - Adventure, Friendships and Challenges. Abbreviated to AFC, which is also text speak for away from computer.

Well done to Bethany from Nelson's Victory ESU. Who wins a place on the camp!

### **Second Chance to book places on the camp**

More places have been allocated, so if you have missed the deadline of April, this is your chance to get your places booked.

All we ask is that you sign up on the website with how many places you need.

We just need full payment for each place by 31 July. This gives us time to confirm the numbers for the camp so we can plan more exciting activities,

### **Call for Volunteers.**

We are looking for volunteers to help deliver this event including:

Permit holders to help run onsite self-led activities. (I.E Water activates).

People to run interactive bases for the Explorers.

People to share ideas of activities for Explorers to do. (If you feel you have something for them to do which they may have not done before this would be great.)

For volunteers we're offering free camping and food. You are welcome to stay for the whole weekend. Email [explorercamp2019@norfolkscouts.org.uk](mailto:explorercamp2019@norfolkscouts.org.uk) if you would like to volunteer with what you can offer.

### **Young Leaders**

Do you know any Young Leader aged 14-18 in your Group who would like to attend this camp? We are opening the tented village so that Young Leaders can attend the camp who may not have access to an Explorer Unit. We will provide all the equipment, food and a leader with a Nights Away permit. For more info click (here <https://explorercamp.christman.co.uk/tentedvillage/>)

### **Final Payment Due**

Please note that final payment is due for the event by 31 July. If you have already registered for places you will get a separate email about this.

If you have any worries or concerns about final payment please get in touch

### **Next Update**

County Explorer Camp Leadership team – Update 4 will in your inbox on 1 July.

Regards

County AFC Explorer Camp Event team.
