

# Badge Links Made Easy

Leaders are always asking “How do the Activity Badges relate to the Top Awards?”

This weeks PoP helps to answer that question by providing a set of downloadable charts linking each of the sectional Activity Badges with a Challenge Award.

These charts are really useful when planning your programme, making it easier to theme weeks, months and whole terms of programme for your Beavers, Cubs, Scouts and Explorers working towards the Top Awards for their section.

### The Scout Programme

The balanced programme provides a structure of Badges and Awards that are based on Scoutings purpose and actively engage and support young people in their personal development, empowering them to make a positive contribution to society, whilst gaining Skills for Life.

Many thanks to Simon Prince of 1st Admaston for providing this very useful resource for all sections and sharing it with Norfolk Scouts.
