

Handout J – Forum Ideas List for use with Module I

The members of every section have held a forum to generate ideas for activities for the next year.

Discuss how all of these ideas could be brought to life and added into their sectional programmes:

- Beaver Scouts who want to climb Everest
- Beaver Scouts who want to want to fly to the moon
- Cubs who want to camp in the rainforest
- Cubs who want to take part in the Olympic Games
- Scouts who want to save the world
- Scouts who want to go skydiving

Hints and Tips...

Is it possible to turn these ideas into a reality?

If so, how can you make these ideas happen?

If not, can you offer something similar?

How you could cover costs?

How could you fundraise for this?
