

Resource I – Skill Builder for use with Module J

Match three skills that are used in the following situations:

- Attending the weekly meetings of a younger section.
- Helping to plan and run the programme for the young people you are working with.
- Working alongside the adult leadership team.
- Taking into consideration the age range and abilities of all when running games.
- Ensuring that the programme follows the rules and policies of The Scout Association.
- Representing the views of young people.
- Completing modules and missions.
- Ensuring the session is inclusive for all young people.
- Leading a youth forum.
