Participant Information Evening Dates

The Jamboree will take place from the 1st to the 12th of August 2023.

The UK Contingent are planning to organise additional activities before and after the Jamboree itself (referred to as pre and post events). The dates for these events are TBC.

The activities and travel are being planned to avoid school term time.

In 2019 we were away for a total of 21 days including travel.

Money

Costs to be confirmed. Expected to be not more than £4000 per person.

In 2019 all unit members were able to fundraise all of their fee and some additional costs for training camps and kit.

Grants are available from many sources to help cover costs.

Fundraising is achievable but requires commitment from everyone.

Participant Information Evening
Commitment

Going to a World Scout Jamboree is a big commitment.

Everyone will need to undertake a significant amount of fundraising over the next two years.

There will be multiple training camps and weekend meetings as the unit members bond.

The Jamboree itself could last up to three weeks including any pre and post event activities.

It is very important that everyone attends all the unit activities.

COVID-19

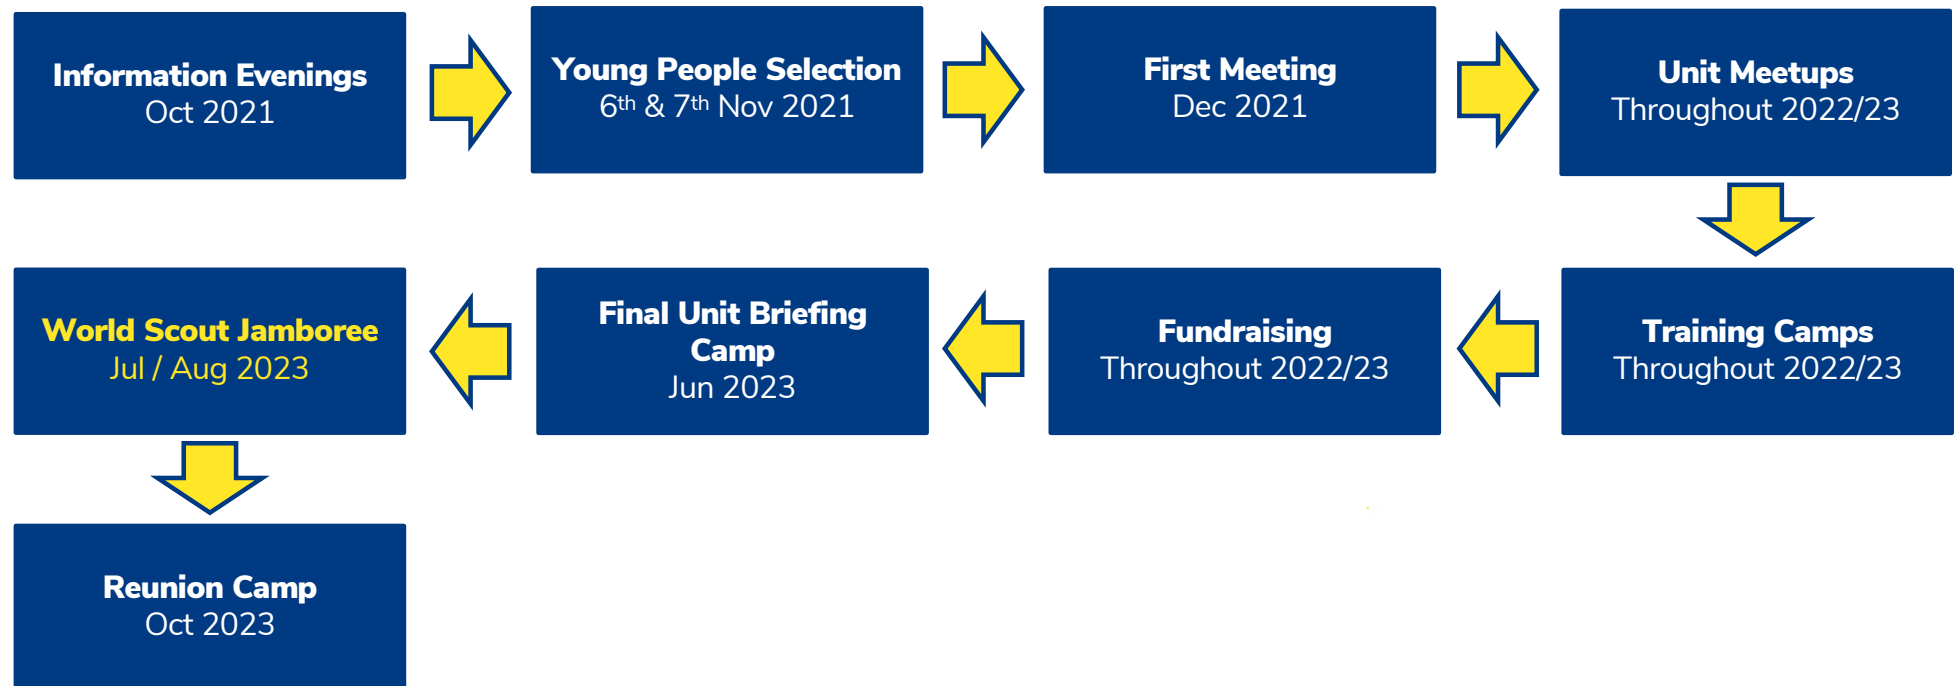

The World Scout Jamboree (WSJ) Organising Committee are working hard to ensure that the event will proceed as scheduled and are putting in place plans if certain restrictions still remain.

The UK Contingent's Leadership Team are working closely with the organisers around their plans.

As a UK Contingent, we are looking at travel and insurance policies and once these are secured, we will update participants and their supporting Counties.
