

[North East Norfolk Scout District Lead Volunteer Opportunity](#)

Norfolk County Scouts has an exciting but challenging opportunity available for the right person interested in leading North East Norfolk Scout District forward, as the District Commissioner/District Lead Volunteer

This is a managerial role and we are searching for someone with excellent management skills who can provide good leadership, support, motivation and inspiration to our adult volunteers.

As District Commissioner / Lead Volunteer, with the assistance of your District Team and District Board of Trustees, you will support and advise all adult volunteers to ensure adult development is achieved and that the District runs effectively to provide quality Scouting for Young People and adults in a safe environment.

An information pack which includes a full Role Description, Application/Nomination Form and closing date is available from the County office email hq@norfolkscouts.org.uk

Please note that the role title is likely to change during Transformation however the role content remains the same. For further information see the Role Description. A role share would be considered. If you have any questions or require additional information, please contact: John Howling 07843684474

[Central Norfolk Scout District Lead Volunteer Opportunity](#)

Norfolk County Scouts has an exciting but challenging opportunity available for the right person interested in leading Central Norfolk Scout District forward, as the District Commissioner/District Lead Volunteer

This is a managerial role and we are searching for someone with excellent management skills who can provide good leadership, support, motivation and inspiration to our adult volunteers.

As District Commissioner/District Lead Volunteer, with the assistance of your District Team and District Board of Trustees, you will support and advise all adult volunteers to ensure adult development is achieved and that the District runs effectively to provide quality Scouting for Young People and adults in a safe environment.
